

2010 New Zealand Secondary Schools Sports Council Event Calendar

This schedule is prepared by the New Zealand Secondary Schools Sports Council Inc.

Endorsed: Three events, **NZSS Canoe Slalom**, **NISS Skiing** and **NISS Snowboarding**, have made the case that they cannot run their events to the standard that is expected by schools and their athletes within the timeframes set by NZSSSC policies. The Board has accepted these positions and, without precedent, has approved the endorsement of these events.

Surfing & Basketball have had difficulty confirming some details of their 2010 event. These events will remain as endorsed only at this stage.

Only the events in the Calendar on the following pages have been sanctioned or endorsed. NZSSSC is not able to support any events that may be planned but are not sanctioned or endorsed and **expects schools not to send teams to national or island events that do not appear on the calendar**. It is not helpful to a planned programme that NZSSSC works towards if schools attend un-notified events.

NZSSSC has made every effort to schedule national and island secondary school sports events at times that meet the needs of the sports while ensuring minimum interruption to the learning needs of students and schools.
