## **5. Changes to the 2006 Calendar**

We have been advised of changes to the dates of two events and notify schools here of the new dates. In both cases we have been advised that the reasons for the changes are through circumstances that could not reasonably have been anticipated. NZSSSC is, therefore, pleased to assist the sports in their new time slots.

Events are:

### **1. North Island Secondary School Skiing:**

Was 9<sup>th</sup> - 12<sup>th</sup> September  
Now 2<sup>nd</sup> – 5<sup>th</sup> September

### **2. New Zealand 1<sup>st</sup> XV Rugby:**

Was 9<sup>th</sup> - 11<sup>th</sup> September  
Now 2<sup>nd</sup> – 4<sup>th</sup> September

We are, currently, in discussions with Volleyball NZ about the timing of the Junior Tournaments and the venue for the North Island Junior Tournament. More later.

## **6. Secondary Schools Sports Co-ordinators' PDS [Professional Development System]**

This is running some time behind schedule and is now being set for the start of Term 2. Sfriso apologises for any inconvenience.

## **7. Eligibility of students 'new to school'**

Principals are being asked to consider whether or not there should be a limit placed on the number of players new to a school who can play for premier teams. Again, more later.
