

K2 school snowboard competition
TUROA 21 - 23 SEPTEMBER 2009
PLEASE READ THIS INFORMATION BEFORE COMPLETING THE ENTRY FORM

The K2 school snowboard competition is for North Island Secondary Schools only, Year 9 - 13 students . The event occurs during the last week of term three. NZSSSC endorsed event.

COMPETITION FORMAT AND RULES

There will be two divisions: * Open women * Open men

Each school can enter a boys team and a girls team but it is not compulsory to enter both. A team consists of between 2 and 9 snow boarders. There are three events. Each school is allowed to enter up to 3 competitors in each event with the best 2 results counting towards the combined school total. Individual entries may be accepted after discussion with the organisers.

The three events are:

Dual Giant Slalom - two timed runs (weather permitting) on a Giant Slalom course on day one.

Slope Style - each competitor is judged by a panel of judges for stunts performed in a Terrain Park on day one.

Boarder Cross - an open Super GS type course involving four snowboarders in a knock out competition, on day two.

NB If the competition is abandoned due to bad weather, the Day One programme rolls over to the next day.

SNOW BOARDING ABILITY

The Giant Slalom courses will be set for successful completion by intermediate snow boarders who may have had no previous experience with gates. The Slope Style and Boardercross courses have been getting more technical each year. Competitors should be receiving training on the Slope Style and Boardercross courses under professional coaches.

HELMETS

The wearing of approved safety helmets is compulsory during all three events. Must have all weather clothing.

We support the use of impact vests, wrist guards, impact shorts , knee guards and mouth guards.

COURSE ASSISTANT

Each school must supply a competent and reliable course assistant. All course assistants must attend the combined managers/course assistants meeting at 7:00 pm on Sunday, September 20. Failure to attend the meeting or non completion of your job, may result in disqualification of your team.

PRIZE GIVING

Prize giving will be held at Ruapehu College, Ohakune on Tuesday night, followed by a Social evening at the Ohakune Club.

ENTRY FEE

The entry fee per team ranges from \$130 - \$210 per team plus \$100 per competitor (or \$60 for season pass holders).

NB If you have both a Boys team and a Girls team, you are required to pay TWO separate team fees.

These fees also include lunches for your course assistant, and all the associated costs including course preparation and setting, administration, social events and Ruapehu Alpine Lifts Ltd event fee.

Please check whether team members have season passes before ordering passes.

SUPPORTERS AND RESERVES

As part of the total package offered by the ski field we are able to offer the following prices for three day (21 - 23 September) all lifts passes:

Adult	\$90
Child (Under 17)	\$60

Any supporters or reserves qualify for these rates providing payment is made in advance. A one day training pass, is available on request for Sunday, 20 September @\$16 each (mailed). **All 3 day passes are given out at the managers meeting.** Please write the name of each competitor and school on each pass, for security reasons. It must be stressed to managers that the team tickets may not be sold for a profit where a season pass is held. One instance was reported to the ski field management in the past and we have agreed to disqualify a team if this ever happens again .

REFUNDS

In the event of the ski field being completely closed on any day, we will refund \$13 per day for all passes returned unused to Jill Haig (BOX 758 CAMBRIDGE) at the end of the competition or posted within 3 weeks (16 October).

NB All passes must be returned for refunds, plus entries must include School GST numbers! (Auditor requirements).

CANCELLATION

If through circumstances beyond the control of the organising committee, the competition is unable to proceed, schools will be refunded less \$80 administration fee for each team, plus \$35 per competitor.

ELIGIBILITY OF COMPETITORS

A student must be:

- Enrolled as a bona fide student at the school of representation and studying at least 80% of a programme that is part of the timetable provided by the school for at least 4 weeks prior to the event.
- Have a satisfactory attendance record at the school. The final decision will be left to the Principal.
- The student must be under 19 years of age at the first of January in the year of competition.
- All students must be in Year 9 or above.
- Students who transfer from one school to another are eligible to compete provided they are on the roll of the participating school and have attended classes for at least 4 weeks prior to the event. Dispensation for those who transfer within 4 weeks of the competition is at the discretion of the organising committee.
- All teams/students participating in the competitions must be under the direct control of a school and have a designated adult in charge accountable to the Principal. The designated adult must assume responsibility throughout the duration of the events. All teams must have signed permission from their school Principal.
- Schools are encouraged to have teachers in managerial and/or coaching positions.

TRAINING CAMPS

I am available to organise mid week training camps, snow assessments for NCEA credits, accommodation, plus documentation for Principals and BOT. Contact Malcolm on schoolsnowboard@gmail.com or 021 475 445. Teams should also consider booking team training in one or more of the disciplines. Get together with some other schools and organise a mini competition. Tim and the crew at **BOARDERTOWN** are organising weekend training camps. Contact them at their shop in Botany Downs.

- Jib Nationals - Turoa, 25 July
- Slope Style - Turoa, 15 August
- Boardercross - Turoa, 22 August

SKI DEMOS

Managers and parents - contact Malcolm at schoolsnowboard@gmail.com or 021 475 445.

SPONSORSHIP

K2 are the name sponsors of the event. Other sponsors are: **SMITH, SESSIONS, SNOWFLICK, LOWER, TCB, HYUNDAI WINGS & WHEELS TAUPO, BOARDERTOWN, TEARAWAY, MOUNTAIN DEW. RUAPEHU ALPINE LIFTS** must also be mentioned for the substantially discounted lift passes. The contribution of these sponsors is greatly appreciated and competitors are asked to recognise their contribution by supporting their products where possible. Check out WWW.TCB.CO.NZ for tuning and retail deals, WWW.BOARDERTOWN.CO.NZ for training and retail deals.

ENTRIES

It is hoped that we can accept all Schools wishing to enter in 2009, **but entries will be capped**. Should a restriction be necessary then entry will be **based on date of receipt of entry form with entry fee**.

Entry forms with entry fee must be mailed to arrive no later than Monday 24 August addressed to:

JILL HAIG
BOX 758
CAMBRIDGE 3450

Contacts: e-mail schoolsnowboard@gmail.com
Cell 021 2475 443 (Jill)

IMPORTANT DATES / TIMES

Monday 24 August	Entries close
Monday 7 September	Confirmation of entry details and information sheets sent out
Tuesday 15 September	Entry amendments close NO CHANGES AFTER 15 SEPT EXCEPT IN CASES OF INJURIES
Sunday 20 September	7:00 pm Combined managers/course assistants meeting at Ruapehu College
Tuesday 22 September	7:00 pm Prize giving at Ruapehu College, Social at Ohakune Club

REMEMBER

- You must rank your competitors for each event
- No changes to entry after 15 September unless injured
- Team entries, not individual entries, unless you have first contacted the organisers direct.
- Each team must supply a course assistant
- Entries must be received no later than 24 August Entry fee must be included (cheques payable to NISSSC)

K2 NORTH ISLAND SCHOOL SNOWBOARD COMPETITION 2009

The event is endorsed by NZSSSC

NORTH ISLAND SECONDARY SCHOOLS SNOW BOARD COMPETITION RULES

It is the intent of these rules to be in the spirit of fair competition so that each school has an equal chance of enjoying the racing, improving their snow boarding standards, gaining prizes and fostering snow boarding as a sport. Any loophole that is exploited by schools for their own ends will be viewed with disfavour by the race jury.

The North Island Secondary School Snow Board Competition is for North Island Schools only.

Rule 1 - Eligibility of Competitors

A student eligible to compete in the North Island Secondary Schools Snowboard Competitions must:

- a Be enrolled as a bona fide student at the school of representation and studying at least 80% of a programme that is part of the timetable provided by the school for at least four weeks prior to the event. Students must be in Year 9 or above.
- b Have a satisfactory attendance record at the school, at the Principal's discretion.
- c The student must be under 19 years of age at the first of January in the year of the competition.
- d Students who transfer from one school to another are eligible to compete provided they are on the roll of the participating school and have attended classes for at least four weeks prior to the time of the event. (Dispensation for those who transfer within four weeks of the competition is at the discretion of the organising committee)
- e All teams/students participating in the competitions must be under the direct control of a school and have a designated adult in charge accountable to the Principal. The designated adult must assume responsibility throughout the duration of the events.
- f Information on the entry forms will indicate date of enrolment at that school, any waiver applying and NZ residency status.

Rule 2 - Entry Requirements

- a Co-educational Schools may enter one Open Boys team and one Open Girls team.
- b A School may enter a maximum of three contestants in each of three events
 - Dual Giant Slalom
 - Boarder Cross
 - Slope StyleCompetitors can enter in one, two or all three events. The best two scores count in each event, toward the Top School Award.

Rule 3 - Format

- a All competitors **must** wear approved **safety helmets** and use of wrist guards is encouraged.
- b In the event of an injury sustained by a competitor immediately prior to the event, a substitution may be made with the proviso that no male competitor may be substituted for a female or female for a male competitor. Application must be by team managers and only to the Chief of Course.
- c **Dual Giant Slalom (Day 1)**

Racers present themselves **at any time** between start of race and closing of the course. Each racer **gets two runs**, one on the **blue side**, one on the **red side**. Any racer who races twice on any one side will be automatically disqualified. It is the racer's responsibility to make clear to any race officials that they have already raced on one side of the course. Racers will be placed in the race in the order in which they arrive at the marshalling areas. Racers may specify their opponent providing they turn up as a "pair". Otherwise the start marshal will choose the next single racer in line for the appropriate side. If there are no single racers available the racer must stand down until a single racer presents. Thirty minutes before the close of the course any unpaired racers will be allowed to finish solo providing all suitable pairs have been exhausted. Racers must wear the numbered bib specified by the race organisers. All recording will be purely by bib number. Racers' numbers will be recorded at the start of the course. Names will be randomly checked and specifically checked where asked by the chief of course on information from onlookers or otherwise. Racers whose name does not match their bib number will be automatically disqualified. Racers need to get two times, one for blue side and one for red side. Competitors who race only once will be deemed to be incomplete unless the decision is made to close the course early in which case the Chief of Course will make a decision in consultation with the Chief of Race.
- d **Slope Style (Day 1)**

One run is judged by three judges. The Team Competition is decided by the combined totals of

the two best competitors in each team in round one. Fore runners will be used to help standardise scoring. Slope Style competitors must report in the same order as on the Start List. A further run may be used to decide the placings of individuals in the Top 10 Girls and Top 20 Boys. Top 10 Girls and Top 20 Boys Bib Numbers will be displayed at the top of the course. The Terrain Park will be open for practice runs before the event. One participant at a time! All Number 3 competitors will compete first, then number 2's, and number 1's last. The Boys will run first.

e **Boardercross (Day 2)**

Super GS course involving Four Snow Boarders in a knock out competition. The first two racers proceed to the next round and the others are eliminated. All competitors must check placings with the Finish Judge at the end of the course eg disqualifications for pushing. All competitors through to the next round must return immediately to the top of the course after their run, to wait for the next round to begin. It is the responsibility of the Racer to be ready when the Start Marshall calls their name. In the Boarder Cross, number one competitors will be spread throughout the heats in Round Two. Number two and three competitors will also be evenly spread across the heats in Round Two. Round One will be for "Number Three Racers only" with Number One & Two Racers seeded through to Round Two, if entry numbers dictate. In Round One, first and second place getters go through to Round Two plus the fastest third & fourth place getters

f If **Monday and Tuesday are abandoned** due to bad weather, only the **Dual Giant Slalom and Slope Style** will be run on Wednesday.

g The **Slope Style** will run at the same time as the **Dual Giant Slalom**. Competitors entered in BOTH events must report to the Marshall at the Slope Style on time, but get to the Dual Giant Slalom as soon as possible" if their runs coincide. It is the responsibility of competitors and Managers to manage any clashes as any unacceptable delays may result in disqualification. **The Girls will follow the Boys at the Slope Style, for first round only.**

h The Organisers retain the right to change the order of events because of weather or course conditions. eg If poor visibility prevents the Slope Style proceeding but not the Giant Slalom on Day 1, then the Boardercross and Slope Style may both go ahead on Day 2. In that situation, competitors must report on time to the Boardercross but complete their Slope Style as close as possible to their original start order.

Rule 4 - School Points

a **Dual Giant Slalom**

The combined times of the two fastest competitors.

b **Slope Style**

Points are awarded by three judges out of Ten for "Overall Impression" (use of terrain and landing moves) and then added together for the following aspects:

- **Fluidity and Control**
- **Technical Difficulty**
- **Overall Impression**
- **Deductions for falls**

Boardercross

Seeded competitors automatically gain one point from round one.

One point is awarded for each Round completed, plus 1st gains a Bonus 3 points,

2nd = 2 points, 3rd = 1 point in the Final.

d The score of the third competitor will be taken into account in the event of a draw.

Rule 5 - Bad Weather Contingencies

a Should weather or other circumstances prevent the completion of all competitors on Monday's Dual Giant Slalom, the event will be deemed completed only if at least all designated No. 2 competitors have raced. If all No. 2 competitors have not completed their runs, then that event must be rerun in total the next available day. Any event that has already been completed, the results will stand and carry forward to the following day. If the Dual Giant Slalom and Slope Style are not completed on Monday, they roll over to Tuesday.

- b In the event of the Dual Giant Slalom and Slope Style not being completed on Tuesday, only the Dual Giant Slalom and Slope Style will be contested on Wednesday.
- c In the event of the Dual Giant Slalom not being completed on Wednesday, major prizes can only be established if a minimum of all designated No. 1 & No. 2 competitors have completed. All sponsored prizes will be issued on the basis of the results to hand.
- d Prize giving will be held at the College at the completion of Competition if events are still being run on Wednesday, at a time to be announced.

Rule 6 - Competition

- a Only the Chief of Race and the Chiefs of Course have the power to disqualify.
- b Once start orders have been finalised, that order cannot be changed without the authority of the Chief of Course.
- c No competitor /manager/parent may fore run or maintain the course.
- d Only the Chief of Course can authorise reruns and generally these will be only for the external interference of a competitor or a timing malfunction.
- e Each competitor must go around the gate on the correct side with both ankles on the Dual GS and Boardercross courses. If a gate is missed, the racer must climb back to the gate. Both ankles must go above the level of the gate missed and around the correct side before descending.
- f The starter must use the "Racers ready? - 3 - 2 - 1 - GO" for the Dual Giant Slalom start. In the Boardercross, the starter must use the "Racers ready?" followed by a random delay of the gates opening.
- g The finish Referee has the final decision on placings of competitors after each Boardercross race. He/she must 'stand down' when their own students are racing, as must the Boardercross starter.
- h False starts of the Boarder Cross will be designated by a whistle .
- i Slipping of the course will only be approved under the jurisdiction of the Chief of Course and then by Snow School only.

Rule 7 - Protests

- a Any immediate verbal protest will be dealt with by the Chief of Course at the time it arises. IT MUST BE ACCOMPANIED BY VIDEO FOOTAGE OF THE ALLEGED INCIDENT. If the matter cannot be resolved by the Course Chief, they will pass it on to the Race Chief who will make a resolution.
- b Team managers wishing to appeal any race resolution must do so in writing to the Chief of Race within one hour of the alleged incident happening.
- c The protest jury consists of all or a majority of the following: The Race Chief and the Two Course Chiefs.
- d Any written protest must be by a team manager. It must include a \$100 protest fee, VIDEO FOOTAGE OF THE ALLEGED INCIDENT and a contact phone number for the team manager. Where a protest is upheld, the \$100 protest fee will be refunded.
- e Where a written protest is lodged, the protest jury will decide upon a course of action as soon as is practicably possible that day.
- f Where any disciplinary action is contemplated on any team, then the team manager will be contacted in the first instance.
- g Any decision made by the jury is final.
